life. 58 CSO reserve. Cash surrender, loan and extended term available. Loan interest
4.8%. Benefit amount increases at age 21.

Drummond Citizens Rates up to 1982

Name Changed to C.F.I

GENERAL INSTRUCTION

Purpose: The purpose of this book is to present to you, Drummond Citizens Insurance Co's representative in the field, company policy related to rates, underwriting rules, and other necessary information.

Agents Authority: The agent has authority to secure application for life insurance, to collect the first premium, and perform other duties as may be requested by the Company.

- (a) Each application must be dated and the applicants must sign for themselves. The application will be dated the same date as signed or it may be back dated as much as 6 months to retain an applicants age. All applications dated after the 28th of the month will be issued on the 1st of the next month.
- (b) All information provided must be complete, definite, and written in the application before it is signed. If changes or additions are necessary, a new or supplementary application properly signed by the applicant must be secured.
- (c) Every question must be answered in full. Checks, ditto marks, etc. have no legal meaning and cannot be accepted as answers.
- (d) The applicant and beneficiaries names should not use initials but use their full Christian names. The application should be signed by their full Christian name.
- (e) Applications may be secured on persons from 15 days to 75 years of age. The insurance age is the age of the applicant on the birthday nearest the date desired for the policy.
- (f) Applications will not be considered that do not have the first premium payment submitted with them. The policies will be approved to give the insured protection from the earliest possible date; however, the policy is not in force until it is delivered.

DISCOUNTED PREMIUMS

The company will accept annual premiums paid in advance of due dates and allow 4½% interest.

The current annual premium is payable in advance and is not subject to discount. For Example:

To calculate the amount due to pay all twenty years on a 20 payment policy, multiply the annual premium by the factor for 19 years listed in the table below (12.593). To the product add one premium (the first). The result is the total amount due to pay premiums for the twenty years.

Present Value of One Dollar per Annum

66-75	\$ 500 ³	\$ 501 - \$ 50,000	\$ 50,001 - \$100,000

- 1 Basic para medical consist of medical history, height, weight, pulse rate, blood pressure, test of lung function, and recording heart sounds (DCI form #MED1) plus a urinalysis.
2. Expanded para medical consist on information obtained for a basic exam plus series of blood test (SMA 12) and 12 lead ECG.
3. Applications will be considered for merchandise/service policies and family group cash policies only.

Samples for urinalysis will be mailed to Drs. Dilday & Pehrson 500 S. University, L.R., Ark. If an inspection report is required by the criteria below, it is the agent's responsibility to inform the applicant that an inspection will be made.

Inspection Reports

Age	Amount
0-55	No report below \$15,000
55-75	No report below \$ 5,000

Underwriting Principles: The agent is the company's field underwriter, and as such, has the primary responsibility for the selection of proper and qualified insurance applicants. The following list of basic factors when applied to each applicant will aid the agent in this selection:

- (a) Medical History - Complete information should be recorded as to nature of illness, dates, number of attacks, duration, results of treatment, and name of attending physician. If there is a question of diabetes, DCI form MED 1 (2-69) D should also be completed.
- (b) Family History - Age of parents at death and the cause of their deaths.
- (c) Occupation and Avocation - The description of the occupation should be stated. The duties performed and the hazards involved; i.e. if he is a merchant, state the kind of goods he deals in.
- (d) Environment - Clean healthy atmosphere - or - squalid and dirty.
- (e) Morals, Finances, - Must also be considered.

PRELIMINARY TERM RIDER

This rider is used to establish the same policy date for the policy applied for as an existing policy that the insured may have with Drummond Citizens Insurance.

This rider provides coverage for a period not greater than 6 months, beginning at the date of the applicants approval as an insured, and ending at the commencement of the permanent insurance.

Funeral

FW5

MERCHANDISE/SERVICE POLICY

This policy is designed to provide a respectable funeral service at the lowest premium, it does not pay the benefit in cash but in merchandise and service. We have agreements with other Funeral Homes throughout the state of Arkansas to provide the family with 100% of the face value if we are notified immediately at death. However, if Funeral Service and Burial occur outside of Arkansas, we will pay 70% of the face value in cash to the funeral director providing service.

Add Policy fee of \$10.00

Accidental Death Benefit - \$1.25 per \$1,000 of Initial Face Amount

These premiums are calculated by the multiplying of the annual premium by the following percentages:

Semi-Annual 52% Quarterly 27% Monthly 10% Special Monthly 9%

JOINT ORDINARY LIFE

The Joint Ordinary Life plan insures two lives with the insurance payable on the death of the first to die. Note the following provisions:

1. Simultaneous Death of Both Insureds: Provides for insurance payable with respect to age insured.
2. Conversion: While a policy is in force and before the older insured reaches age 65 the policy may be changed to (1) single policy covering one insured for full face amount of original Joint Ordinary Policy or (2) policies on each insured for portion of original face amount but not for less than Company minimums.
 - A. If one insured is under 21 when this policy is issued, then upon the attainment of age 21 before other insured reaches age 65, the Joint Ordinary Life Policy can be converted to two single life non par whole life policies both equal to original face amount.
 - B. After the death of first insured, the survivor will be provided temporary insurance for 90 days equal to original face amount. Within this 90 day period the survivor may elect, prior to age 65, to purchase a new policy without evidence of insurability.

Joint Equal Ages - Premiums and Values: Premium rates and guaranteed values on the Joint Life policy are based on the Joint Equal Age. The Joint Equal Age is determined by deducting from the older age a number of years based on the figures in the following table. If one or both of the persons is a female they are assumed to be 3 years younger than attained age nearest birthday before the ages are applied to the table below.

Difference of Ages	Deduct from Older Age
0 and 1 year	0 Years
2 and 3 years	1 Year
4 and 5 years	2 Years
6 to 8 years, inclusive	3 Years
9 to 12 years, inclusive	4 Years
13 to 17 years, inclusive	5 Years
18 to 25 years, inclusive	6 Years
26 or more years	7 Years

The premium for the Waiver of Premium benefit is determined by multiplying the factors shown on the premium page by the total premium for the Joint Life Policy.

EXAMPLE: Both apply for W. P.
